From the Crown

Greetings unto the populace of the Outlands from Your Crown!!

Unto the excellent populace of the Outlands do We, Jaxarticus and Kathryn, King and Queen of the Outlands, send greetings. We hope this missive finds you in times of abundance and happiness.

The time has now come. Our patience has been pushed to the limit. Our ambassadors have tried to negotiate, our war council has attempted to deter, but alas these efforts have failed, and once again the Kingdom of the Outlands must go to War.

Fortunately, the powerful Kingdom of Caid will join us in our cause, and thankfully, the Mighty Kingdom of Calontir will stand by our side once again. Our Allies are many because they know that our cause is honorable. The Stalwart Kingdom of the Middle and the ever-far Kingdom of Drachenwald have allied with us as well. Their strength they have added to ours. This war shall be difficult. Most likely it shall be one that will test all our skills to their limit. The Kingdoms of Atenveldt and Artemisia are honorable and forthright in their cause. It is our duty to meet them as we have agreed upon, and uphold the ideals of Chivalry and Justice, which we share. In the end We can only hope that a good time will be had by all, and once again our Kingdoms shall live in peace, revel together, and uphold the freedoms that our society has granted.

To this end we will require all your greatest efforts. The Kingdom of the Outlands has proved itself capable beyond any measure time and time again. We have no doubt that it shall do so this Estrella War. We hope that you remain safe in all your endeavors, and please take care of yourselves during these hard times. You, the populace of the Outlands, are the greatest resource to the Throne. Assuredly, We try to recognize you in your efforts, but the hard work that is put forth by this Kingdom is unrewardable in its sheer vastness. Therefore, we ask that you all take time for yourselves during this war. All of you deserve some time to enjoy what it is we create. The Dream of the Society is something special and We appreciate the hard work the populace of the Outlands puts forth to make it a reality.

The enthusiasm and motivation that the Outlands has shown during the War Practices and all the Holiday celebrations have been impressive. The council you have provided to the throne is invaluable, and your hospitality far more than generous. It is our honor to lead you into Estrella XIX.

Now put thy War face on and prepare to do battle.

Enjoy Estrella to the fullest. It is all the Kingdom Earl Marshals' wish that battles begin on time, go smoothly and safely. There will be plenty of battles, pace yourself so that you may enjoy three full days of glorious warfare!

Be prepared to move after a battle is completed to your new rally point. There will be banners on the field for you to find the muster point.

Again, have fun and be safe. Kill many for your Kingdom and die with Honor, so you can get up and do it all again and again...!

From the Chronicler

Greetings unto all!

Have you ever wanted to see your artwork published? Now is your chance! This issue again relies solely on Dover Clip Art for visual content. This is not entirely bad, but I will soon run out of new art and will begin recycling the images you've seen. That would be bad.

To this end, I am still gathering art for the All-Children's issue. If you are under 16, and you want to see your artwork published, start drawing now, or cull your best and send it. There will be a special issue featuring your talents!

If you do not qualify as "children" do not despair, do not hesitatate! Your artwork could also feature on the covers and inside pages of the Outlandish Herald. Do you have an event on the horizon? Increase your exposure by providing a cover specific to your event! Do you have an announcement inside the issue? Provide suitable artwork for the announcement page or a page nearby, and draw everyone's eye to your article!

Andreva-Delphine and Yaz really pulled through for me (and therefore all of you) for last issue. I know I have thanked Andreva-Delphine every issue, but she's merited it. Special thanks also to Mistress Mirianna for last month's cover art.

Finally, a few people came to me with corrections and suggestions for the Herald at Caerthe's 12th Night Celebration. Some of them seemed hesitant or reticent to do so, as though they were worried I'd not like what they had to say. Please don't be timid. If you find an error, TELL ME! It's the only way I can get them fixed. My e-mail is in the contact info at the end of this issue.

See you all at War!

-Max

From the Kingdom Rapier Marshal

Greetings from the Kingdom Rapier Marshal! As WAR approaches, I would like to address a couple of things:

As you should know by now, the conventions for Estrella this year include a requirement that fencers attend a DFB training session, to familiarize themselves with the combat standards being used at Estrella this year. These training sessions have been taking place at the War practices held around the Kingdom, and the commanders of the Outlands Army have been documenting attendance and updating greencards. I would like to clarify a few things regarding this:

If at all possible, you should attend a War practice to get familiar with the combat conventions, as well as learning the tactics we'll be using to crush the Aten army.

Only the commanders of the army (Don Otteaux, Peryn, Justin) Dona Rebekah, and myself can update greencards for Estrella.

For those who could not attend a war practice, training sessions will be held before the scenarios on Friday. If you need to get your proof of attendance at War, please contact me as soon as possible after you get on site. I will be camped with the Barony of Caerthe, or you can probably find me at marshal's point.

On another administrative topic, below is a list of all the approved Authorizing Marshals for the Kingdom of the Outlands. No one not on this list has any authority to authorize fighters for rapier combat in the Outlands. I am looking for volunteers to help cover the deep south and the far north. Anyone who is interested in these positions should contact me directly.

Don Carrick (Caerthe)
Sir Berold de Gilbert (Citadel)
Lord Coinneach McPhearson (al-Barran)
Lord Charles Roberts (al-Barran)
Don Otteaux the Blackhearted (al-Barran)
Dona Rebekah Tynker (Drygestan)
Lord Ivar (Fontaine)
Lord Anton de Vallier (Dragonsspine)
THL Rivka Vladimirovna Rivkina (Caerthe)
Don Christian St. Claire (Caerthe)
Lord Steffan Arffuidson (Hawk's Hollow)
Lady Natalia Raizan (Schola)
Lady Arcadia de Medina (Schola)
Lady Seuilla (Caerthe)
Don Max (Caer Galen)
Don Ian of Nightsgate (Caer Galen)
Lord Justinian the Gentle (Unser Hafen)
Don Robert Stewart (Unser Hafen)

Also, Lord Thomas Dudley is the only marshal currently approved to authorize fencers for sidesword combat.

Fight well, fight safely, and have fun at the WAR!

In Service,
Don Carrick

In service to the Stag,
The Honorable Lady Maria Sol de Leon

From the White Stag Principal Herald

Greetings unto the populace of the mighty Outlands from Tatiana Pavlovna Sokolova. This is my first missive to you as White Stag, and I would like to thank Master Juan Balthazar de Tigrerro, my predecessor, for the advice and continuing support which he has offered to me.

There have been some changes in the Outlands College of Heralds of late. First of all, I would like to congratulate THLord Pendar the Bard and his lady Kiena Munro on the birth of their son on December 31st! Due to his new responsibilities as a father, as well as for other reasons, Pendar has stepped down as Rampart Herald. Rampart is my submissions deputy, and it is a job that involves a tremendous amount of paperwork. Pendar has done an exceptional job in this office, and he has been of invaluable assistance to the White Stag office. Lady Alia Marie de Blois is the current Rampart Herald. Local heralds, please direct your submissions paperwork to Lady Alia henceforth. Her contact information will be available on the College of Heralds webpage at http://www.outlandsheralds.org if I don't manage to get it into the O.H. in time for publication.

The other office which has changed hands is that of the Palmer Herald, my drop-dead deputy. Lord Naitan de Yerdeburc has served well in this office for a considerable time, and has kept things running smoothly. I would like to thank him for all of the effort he has put into the office. He will continue as part of the CoH as a commenting deputy with a new title, which has yet to be chosen as I write this missive. My new Palmer Herald will be Lady Sorcha MacLeod. Please feel free to contact her with CoH business if I am unavailable for any reason.

With the approach of Estrella War there will be many opportunities for the practice of heraldry of all sorts. This year, one of the A&S categories will be heraldic display, so artisans please consider making something to be entered. Not only can you help the Outlands win the A&S war point, but you'll also have a spiffy heraldic display item to use or wear! Those members of the CoH who are attending Estrella, please consider participating at the heraldic submissions table at the war. This is a great opportunity to meet heralds from all over the known world, and to help a variety of people with their name and device submissions. Voice heralds are always needed at the war as well for tournaments, court and announcements. Finally, for those of you who may not have submitted a name or device yet, Estrella War provides a great opportunity to do so. A wide variety of heralds and many (many!) books, will be available at herald's point, so come by to discuss registering your name and device at the war.

The Outlands Heralds & Scribes Symposium will be March 29-30th in the Barony of Caerthe, with Lady Katrein Adler as autocrat. There will be many interesting classes with a variety of teachers for both the heraldic and scribal tracks. Please come to learn and enjoy the company of others who share your interests. If you would like to teach a class, please contact myself for heraldry classes, or THLady Maria Sol de Leon, the Kingdom Scribe, for scribal classes.

In service to the Outlands,
Tatiana

From the Minister of Children

Unto all Good Gentles of The Glorious and Gracious Kingdom of The Outlands does Lady Rhiannon, Kingdom Minister of Children this day send warmest greetings!

In just a matter of weeks we will be marching off to WAR!!!! While our fighters are valiantly defending The Outlands, our children will be busy as well! Indeed, there will be a vast amount of activities at the children's center for children of all ages.

The Children's center for ages 4-9 will be open from 9am- 3pm. Younger children are most welcome accompanied by a parent or guardian. There will also be a youth center that will be open 9am-3pm, for ages 10-17. A wide variety of activities will be provided for all age groups. Each day there will be Greyhound coursing, Story hour, String games and much more.

And here is a special message for all our youth!

Attention all youth combatants here is important information for Estrella War:

We will be using the Armor and Boffer Fighting standards for the Kingdom of Atenveldt for the youth tournament Check them out at http://youth.atenveldt.org/boffer.html Here is an abbreviated schedule of activities for our youth fighters: On Thursday, Feb. 13, there will be training, preparation and instruction for youth combat.

PLEASE NOTE! If you need to construct armor or weapons for your children, please do so well before war - Thursday is simply a training session not an armor or weapon construction session. If you need assistance in armor or weapon construction, pleas contact me directly at (505) 649-3550 or Rhiannon1@zianet.com (remember, it is Rhiannon1 – not just Rhiannon)

There will be three days of boffer tournaments! The first tournament will be hosted by The Outlands and Adenveldt on Friday at 3pm. This tournament will be double elimination, for three age categories, 6 and under, 7-11, and 12-15. The second tournament on Saturday will be hosted by Adenveldt, time TBD - please see the gate book. The third tournament on Sunday will be hosted by Caid, time TBD - please see the gate book. Both Caid and Atenveldt have age categories & armor standards similar to those used in the Outlands boffer tourney.

For more information be sure to check at the children's complex or in the Estrella Gate Book for specific times. Need further information? Please contact me at Rhianon1@zianet.com or (505) 649-3550

I am looking for volunteers to help out at the children's complex on Friday; The Outlands will be hosting the children's activities throughout the day. There will be crafts, games and story hour. The OH is printed presently with an 8-point font that allows for approximately 300 words in a one-half (1/2) page article, and 600 words in a one (1) page article. All event articles are allowed three (3) showings in the Outlandish Herald, one (1) of which MUST be the month of the event (i.e. A March event MUST run in the March OH). The other two publication months are typically the two months preceding the event. An autocrat may request publication more than two months in advance, but that publication will count against the two (2) publication limit. Additional printings may be purchased at the current advertising rates. Generally, event announcements must fit on 1/2 page in months prior to the event, and 1 page the month of the event. Announcements exceeding this size may be trimmed to fit. Optionally, if you wish to exceed this limit, you can purchase space at current advertising rates. Where possible, please provide the Kingdom Chronicler's office with a prior month article, and a month of article fitting the above criteria for publication.

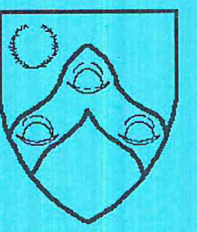
Rio de Las Animas,

sends greetings to the Outlands and the rest of the Known World.

We want to send a hearty thank you to all good gentles who have worked so diligently to release us from the ranks of incipient and be placed on the rolls as an Official Shire.



So many have helped along the way: they are too numerous to list in this space. All the hard work has been appreciated beyond comprehension.

Thank You

Or, on a chevron wavy azure three morions argent and in dexter chief a laurel wreath vert
